</table>
VISION Create community spaces for social interaction and communication.

STRATEGY 1
Create social spaces for student, faculty and staff discourse
- centralized student svcs
- student center/lounge
- faculty development ctr
- exercise & recreation area

STRATEGY 2
Plan for a living/learning student community

STRATEGY 3
Create private meeting/office spaces for faculty
**VISION** Create community spaces for social interaction and communication.

**STRATEGY 4**
Provide a robust technical infrastructure for digital community.

**STRATEGY 5**
Encourage collaborative, cross-disciplinary work and social experiences among departments, students and faculty.
VISION Provide appropriate spaces for academic and professional exchange and practice.
VISION Provide appropriate spaces for academic and professional exchange and practice.

STRATEGY 1
Maintain/preserve spaces dedicated to graduate students.

STRATEGY 2
Create a state-of-the-art professional conference and presentation space.

STRATEGY 3
Create a place for faculty-to-faculty and faculty-to-student exchange.
VISION Provide appropriate spaces for academic and professional exchange and practice.

STRATEGY 4
Provide facilities for Research & Development.

STRATEGY 5
Develop an online social network with professional partners and alumni.

STRATEGY 6
Provide space for faculty led research.
VISION  Provide opportunities to enable unprogrammed and innovative conversations, critiques, projects, exhibits, installations, experiments, performances, . . . etc.

DIVERSITY / ACCESS

ACADEMIC EXCELLENCE

PROFESSIONALISM

INNOVATION
VISION  Provide opportunities to enable unprogrammed and innovative conversations, critiques, projects, exhibits, installations, experiments, performances, etc.

STRATEGY 1  Create unprogrammed transformable, temporary and virtual spaces.

STRATEGY 2  Make space available for private/public exhibit of student work that is not limited to the term schedule.

STRATEGY 3  Encourage activities that are inclusive to all.
VISION  Become energy efficient while increasing the use of renewable energy sources.
VISION Become energy efficient while increasing the use of renewable energy sources.

STRATEGY 1
Implement best practices related to energy efficiency in operations.

STRATEGY 2
Increase use of renewable energy sources.

STRATEGY 3
Implement energy efficiency in transportation.

VISION

Practice environmental stewardship.

PROFESSIONALISM
INNOVATION
HUMAN-CENTERED
EDUCATION & CITIZENSHIP
ACCESS & AFFORDABILITY
VISION  Practice environmental stewardship.

STRATEGY 1  
Become climate neutral in operations.

STRATEGY 2  
Plan and implement a zero waste policy.

STRATEGY 3  
Provide for a healthful environment for education & community.
VISION Practice environmental stewardship.

STRATEGY 1
Become climate neutral in operations.
- inventory greenhouse gas emissions [GHG]
- climate action plan to manage & reduce GHGs

STRATEGY 2
Plan and implement a zero waste policy
- green procurement plan
- waste management plan
- paper reduction plan

STRATEGY 3
Provide for a healthful environment for education & community.
- local, organic foods
- provide for fitness & quiet
- follow LEED guidelines for materials/finishes.
VISION Practice environmental stewardship.

STRATEGY 4
Restore habitat and improve access to outdoor spaces.

STRATEGY 5
Provide for healthful and safe environments for working with art and design materials.

STRATEGY 6
Recognize & communicate environmental stewardship by providing facility access to habitat.
VISION Practice environmental stewardship.

STRATEGY 4
- restore native habitat
- create South campus greenspaces
- water management plan

STRATEGY 5
- eliminate/manage use of toxic materials
- culture of safe studio/shop practices

STRATEGY 6
- create trails
- create ‘virtual’ access to habitat

Restore habitat and improve access to outdoor spaces.
Provide for healthful and safe environments for working with art and design materials.
Recognize & communicate environmental stewardship by providing facility access to habitat.
VISION  Improve services and spaces which contribute to student quality of life.

ACCESS & AFFORDABILITY
VISION  Improve services and spaces which contribute to student quality of life.

STRATEGY 1
Plan for effective and efficient use of physical and digital spaces which support student services.

STRATEGY 2
Provide affordable student residential living spaces which are healthful, resource efficient and encourage not using a car.

STRATEGY 3
Provide a technology maintenance and upkeep facility and Help Desk.
VISION Improve services and spaces which contribute to student quality of life.

STRATEGY 1
Plan for effective and efficient use of physical and digital spaces which support student services.

- online space mgmt tools
- standard class schedule
- centralized services
- 24-hr reservation system

STRATEGY 2
Provide affordable student residential living spaces which are healthful, resource efficient and encourage not using a car.

STRATEGY 3
Provide a technology maintenance and upkeep facility and Help Desk.
VISION  Improve services and spaces which contribute to student quality of life.

STRATEGY 4
Provide affordable and nutritious food service.

STRATEGY 5
Provide a student store which offers affordable supplies & materials.

STRATEGY 6
Plan for multi-modal and flexible transportation options.
VISION Improve services and spaces which contribute to student quality of life.

- offer variety of food choices & vendors
- offer healthy options during vendor off hours

STRATEGY 4
Provide affordable and nutritious food service.

STRATEGY 5
Provide a student store which offers affordable supplies & materials.

STRATEGY 6
Plan for multi-modal and flexible transportation options.
VISION Improve services and spaces which contribute to student quality of life.

STRATEGY 7
Create an environment that is welcoming and enables and encourages communication and interaction amongst diverse groups.

STRATEGY 8
Balance accessibility with security.
VISION Improve services and spaces which contribute to student quality of life.

STRATEGY 7
Create an environment that is welcoming and enables and encourages communication and interaction amongst diverse groups.

STRATEGY 8
Balance accessibility with security.

- visitor sign-in
- badged access for off-hours usage
curriculum-based architecture of learning & making, of concept & craft, that is adaptable, robust & inspirational
